Re: Brand-S Corporation / Portland Harbor Superfund Site, Portland, Oregon

Dear Ms. Koch:

Our office has been legal counsel for Brand-s Corporation for many years. Brand-S corporation has not conducted business for several years, and all of the principals who were involved with the company in the 1970's are either deceased or no longer around. Most of the records during this time frame have been destroyed.

I met with John S. Brandis, III, Vice President of Brand-S Corporation. Mr. Brandis has made a diligent search of records and attempted to answer the response to the first information request. Enclosed with this letter is a copy of his written response. Also enclosed are copies of various documents that he was able to locate in the Brand-s files.

Following your receipt of this documentation, please feel free to contact me if you would like to discuss the matter.

Very truly yours,

  
Steven L. Adkins
